

Lead Screw Support

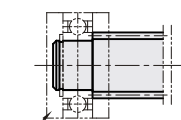

Round Support Side

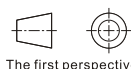

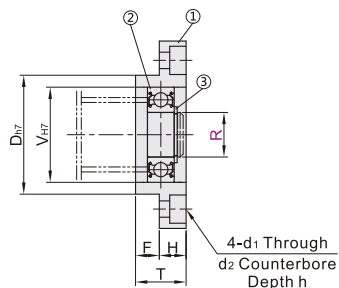

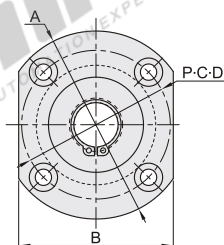

Code	Type	Material	Surface Treatment
LHF04	Support Side	S45C	Black Oxide

Number	Part Name	Quantity
①	Housing	1
②	Radial Bearing	1
③	Retaining Ring for Shaft (Included)	1

How to use Retaining Ring for Shaft

③ Retaining Ring for Shaft (Accessory) should be used for fixing the shaft part. Use Lead Screws for Support Units in combination with this ring, or select a product with the retaining shaft groove added on the shaft part.
