

Code	Type	Drive Direction	Material	Surface Treatment
E-EIC61	Micrometer Head	Z-Axis	Aluminum Alloy	Black Anodize

- ① The cross guide rail and differential head may rust during installation and use. Please pay attention to taking rust prevention measures.
 ② The cross roller guide rail has weak impact resistance. If it dropped or too much force is applied to it, abnormal sliding will occur. Please pay full attention when using it.

No.: 80
