

Sealing Strip

Window Type/Filler for Window Type

Material: EPDM

Code	Type	Material	Color	Operating Temperature
J-HGY06	Window Type	EPDM	Black	-40~120°C
J-HGY07	Filler for Window Type			

Application (J-HGY06-16):

- Applied in glass installation of door, box and cabinet.

Features :

- Push the window into the sealing strip to complete the embedded installation;
- No need other tools. The window is inside or outside the cabinet, so it is very suitable for high pressure or vacuum installation.

Application (J-HGY06-21, J-HGY07) :

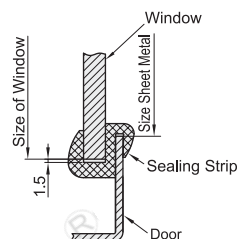

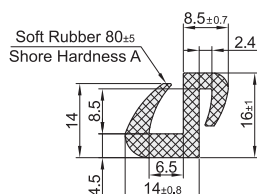

- Applied in glass installation of door, box and cabinet.

Features :

- The window glass is clamped by filler and embedded in the door opening;
- The material of the window sealing strip EPDM has excellent anti-aging performance.
